Meeting YOUR Needs with Flexible Disposal Solutions

Do your disposal options seem limited? Common complaints from waste haulers include land application issues, inconvenient access restrictions, rigid operating hours and insurance complexities.

The Lehigh County Authority Wastewater Treatment Plant is managed by CH2M HILL and offers you practical solutions to meet your needs.

Competitive Pricing
Convenient Hours

Our facility has the capacity to handle any job, big or small!

We offer you:

- Competitive pricing, convenient hours, and a wide range of accepted waste types.
- Six unloading stations for quick turn-around
- Easy access via routes 78, 22, 100, 222, and the PA Turnpike
- Volume discounting
- Multiple waste types accepted: Holding, Septic, Carwash, Grease, Potable Toilets, Commercial/Industrial waste, etc.
- Commercial wastes accepted include: leachate, municipal sludge, food processing waste, and more.
- Large capacity tanks to allow high volume deliveries of high strength wastes
- Accredited laboratory services
- Historical information on waste material available upon request

Lehigh County Authority Facility, commissioned in 1990, is dedicated to providing high quality, affordable wastewater services while protecting the environment.
