Customer Notice – 2019 Suburban Water Rates!

Starting January 1, 2019, Lehigh County Authority’s Suburban water rates are increasing by approximately 5% for most residential customers.

Special Customer Notices:

- Customers on Welshtown Road will see no changes in your water bill at this time.

Why are Rates Increasing? This increase will cover LCA’s costs for labor, insurance, utilities and chemicals in 2019, along with additional debt payments required to pay for large projects such as water main replacements and new pump stations. Revenue generated through the rates is invested directly back into the system in the form of rehabilitation, preventive maintenance and improvements.
